

# SUMMER SAT 2022 -- Jump Start

Small class size (3 to 5 students) -- Individual attention  
Complete Math, Reading, Writing and Science Preparation

## Tom Clements Tutoring

**WHEN** Sunday -- 4:30 to 6:00 PM — 7 classes, June 26th – August 7th

**WHAT** Outside of class, students are assigned several SAT practice tests to complete as homework assignments.

In class, we drill down on each question of the assignment and analyze the strengths and weaknesses of various student responses. My classes put the focus on critical thinking and emphasize problem-solving techniques.

**BIO** Tom Clements, MS, BA -- For over 30 years Tom Clements has been a leading educator in the Lamorinda community, famous for his test prep expertise and warm rapport with students.

As a professional writer, author, and former college English teacher (St. Mary's College), I use my lecture and communication skills to teach students how to master SAT math, science, reading, and grammar problems.

In addition to test prep, I tutor small groups in AP physics, AP chem and Calculus during the school year.

**In Person** In-person classes are held in my Moraga office with a **zoom option** for students preferring distance learning. Since all classes are recorded, students away on vacation or engaged in sports activities can stay current with the curriculum.

**CONTACT** [tctutoring@att.net](mailto:tctutoring@att.net) or 323-4450

**WHERE** All classes at my office: 346 Rheem Blvd, Suite 110-B, Moraga, CA (94556)

**HOW MUCH** \$1295 — Please send a \$195 deposit to my office to secure a spot in the class. Payments can be made by check to the address above or by Zelle to my email account: [tctutoring@comcast.net](mailto:tctutoring@comcast.net)

**WEBSITE/** To see my classes in action, check out my website at [www.tctutoring.net](http://www.tctutoring.net) or my YouTube channel at [www.youtube.com/tctutoring](http://www.youtube.com/tctutoring).

*My students have studied at Harvard, MIT, Dartmouth, UCLA, Cal, Sarah Lawrence and NYU, among many others*

**Ask about** Fall tutoring in AP Physics, AP Chem, AP Bio, and Calculus as well as Regular Physics, Regular Chem, and Pre-Calculus and APES
