

SAT AND ACT

Summer Program For Sophomores

"Tom is the most extraordinary tutor. My son has him for Chemistry and ACT/SAT prep classes. He is a true professional." — Lamorinda Mom

"My son went from a 1200 SAT to a 1460 after doing his SAT course. He's great at what he does, hilarious, and genuinely cares about each of his students." — Lamorinda dad

\$1295	\$1295	\$895
CLASS OPTIONS – Students can attend class via ZOOM or IN-PERSON at my office		
FREE diagnostic testing in March/April/May — Call or email for dates		

As a former college instructor, nationally recognized grammar expert and best-selling test-prep author, I've helped thousands of students in the LaMorinda community ace their SAT and ACT tests.

My classes are tightly structured and include multiple practice tests. I teach all classes myself, providing a single point of contact for parents and ensuring consistency of instruction across all Math, Reading, Science and English sections for students.

Fall tutoring in AP physics, AP chemistry and Calculus
